## Need for Speed Undercover - Twitter

Need for Speed Underground. Need for Speed Underground does not contain any hidden objects to find. This is a quick comparison of the PS2/PSN game and the PC game, stripped of all scenes, dialog, and NPC's. Right now it is in Beta.. Need for Speed Underground is the fifth entry in the Need for Speed series. The game features the new nano-mesh technology, which was the reason for the Shift in the game's development. Underground features a battle against the law including 4 new vehicles (all of which were confirmed to be included in the PC/PS2 version) and missions that incorporate the new "drugs and weapons" aspects of the game. Also in an attempt to appeal to a more casual and younger audience, Underground features game mechanics similar to Asphalt 4: Elite Edition and Need for Speed Carbon. The game will feature a road trip with two friends, "The Rivals" and a new addition, "The Crew". . Need for Speed Underground. Eurogamer: "One of the best Need for Speed games ever.". Need for Speed Underground - PS2: arcade racer in style with "insane" drifts and "instinctive" drifting. IGN: "Need for Speed Underground has an arcade racer's handling. This amazing game does not have any hidden objects to find.
